## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the Town of Bristol in the County of Grafton in said State, qualified to vote in Town Affairs :

You are hereby notified to meet at the Town Hall in said Bristol on Tuesday, the eleventh (11) day of March next, at nine of the clock in the forenoon, to act upon the following subjects :

1. To choose one Selectman for the Term of three years and choose all other necessary Town Officers for the ensuing year.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the Town will raise for the support of Highways and Bridges for the year ensuing and make appropriation of the same.

4. To see if the Town will ask for Town Road Aid, and if so, raise and appropriate the sum of Four Hundred Dollars and Eighty-three Cents (\$400.83).

[Provided this amount is raised by the Town, the State will contribute the sum of One Thousand, Six Hundred and Three Dollars and Thirty-three Cents (\$1.603.33).]

5. To see what sum of money the Town will vote to raise for the Construction and Maintenance of Sidewalks for the year ensuing and make appropriation of the same.

6. To see what sum of money the Town will vote to raise for the Construction and Maintenance of Sewers for the year ensuing and make appropriation of the same.

7. Agreeably to the vote of the Town at the annual Town Meeting, March 8, 1921, to elect five (5) members of the Budget Committee for the term of three years, and fill any vacancies in said committee.

8. To see if the Town will vote to raise and appropriate the sum of Eight Hundred and Fifty Dollars (\$850.00) to be added to the present balance of the building fund for the purpose of constructing a Town Garage and Tool House.

9. To see if the Town will vote to authorize the Selectmen to trade in the present Town Truck for a new one and raise and make appropriation for same.

10. To see what action the Town will take in regard to leasing or buying land for a Town Dump and make appropriation for same.

11. To see if the Town will vote to authorize the Selectmen to sell the F. W. D. Truck and Plow.

12. To see if the Town will vote to raise and appropriate the sum of Two Hundred and Fifty-eight Dollars (\$258.00) which is 1/100 of 1% of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other towns in the Lakes Region.

13. To see if the Town will vote to raise and appropriate the sum of Two Hundred and Fifty Dollars (\$250.00) to the Newfound Region Association to aid in advertising and other activities for the benefit of the Town, in cooperation with other towns of the Newfound Region.

14. To see what sum of money the Town will vote to raise for the observance of Memorial Day, and make appropriation of the same.

15. To see if the Town will vote to raise and appropriate a sum of money for each of the following hospitals: Laconia, Plymouth and Franklin.

16. To see if the Town will vote to raise and appropriate the sum of Six Hundred and Fifty Dollars (\$650.00) to support a summer playground program, beginning the Monday following July 4th and continuing for eight consecutive weeks.

17. To see if the Town will vote to have the Selectmen appoint a police officer instead of the present method of electing same.

18. To see if the Town will vote to have full time Police Protection, the hours and salary to be regulated by the Selectmen.

19. To see if the Town will vote to tar the road leading from Route 104 to the Public Service Company's Dam, and raise and appropriate money for the same.

20. To see if the Town will vote to raise and appropriate the sum of Thirteen Hundred Dollars (\$1,300.00) for the purpose of painting the town half of the Iron Bridge at the foot of Central Street.

21. To see if the Town will vote to raise Four Hundred Dollars (\$400.00) for the control of White Pine Blister Rust.

22. To see if the Town will take action on the purchase and operation of a water system for the town of Bristol and to raise and appropriate money for the same.

23. To see what action the Town will take in regard to the buildings on the Town Lot.

24. To see if the Town will appoint an Aviation Commission consisting of three (3) members to be appointed by the Selectmen and authorized to act for the Town in all matters pertaining to the establishment, construction and operation of aircraft landing areas and to confer and consult with State and Federal officials and to execute in the name of the Town, any and all necessary or desirable instruments and agreements in connection therewith.

One member for three (3) years.

One member for two (2) years.

One member for one (1) year. As their terms expire, each shall be appointed for three (3) years. One member shall be appointed as chairman.

25. To see what action the Town will take in regard to the plowing of driveways in winter and make appropriation for the same.

26. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.

27. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 21st day of February, 1947.

HAROLD J. SOUTHER,  
GAYLORD G. CUMMINGS,  
W. JOHN SCHOFIELD,  
Selectmen of Bristol

## HELP YOUR FOREST FIRE WARDEN PREVENT FIRES — IT PAYS !

---

Prevention is one of the most important phases of all fire effort. This is particularly true of forest fire control work. Preventing forest fires preserves valuable forest growth and other property, conserves man power and permits their use in productive channels, saves taxpayers' money and conserves fire fighting equipment.

The prevention of forest fires is the most important and difficult part of the work of your forest fire warden who heads a local organization set up primarily for the security of your community's forest property. Appointed by the State Forester, upon recommendation of the Selectmen, he is charged by law with the responsibility of local administration of forest fire laws, fire prevention and suppression. In his work he is aided by deputy forest fire wardens who, in emergency, may assume his power and authority. The warden is guided in his work by instructions received from the State Forester and by the District Fire Chief who represents the State Forester.

The importance and value of the work of the forest fire warden and his deputies is, perhaps, best appreciated during hazardous periods when fire danger is greatest. The public, however, looks to him at all times for speedy and economical suppression of going fires.

To properly fulfill his mission, the warden needs the generous and understanding cooperation of the public at large. He attempts to secure this cooperation by the posting of caution notices, news items and by word of mouth, always carefully explaining the necessity of restrictions imposed. In the matter of giving cooperation, however, the public often fails. The record shows that an average of 7,300 acres of woodland are burned over by forest fires in New Hampshire each year. Analysis of fire causes reveal the fact that more than 98 per cent of

all forest fires are, consistently, the result of human carelessness and are preventable.

The careless smoker fails to properly extinguish his cigar, cigarette or pipe ashes or thoughtlessly throws them from the car window; the debris burner fails or refuses to consult the warden, as the law requires when the ground is not covered with snow, before attempting to burn; campers fail to properly extinguish their fires or frequently build fires when conditions are unfavorable.

The elimination of human causes from the forest fire problem is the answer. This is not as difficult of accomplishment as it might appear at first glance. Let each one who reads this—

1. Use ordinary common sense with fire in and near woodland.
2. Comply with requirements on the use of fire in and near woodland and when the ground is not covered with snow, secure written permission to burn from the forest fire warden.
3. Be careful when smoking in or near woodlands. Don't throw lighted material from moving vehicles.
4. Cooperate with and assist the warden and urge others to do so.
5. **HELP YOUR FOREST FIRE WARDEN PREVENT FIRES** — his efforts are only as effective as is the cooperation you give him!

ALFRED PAYNE,  
Forest Fire Warden

### 1946 Fire Record

Number of fires, 4; acreage burned,  $4\frac{1}{4}$  acres; number fire permits issued, 57; number of investigations, ..

## MINOT-SLEEPER LIBRARY—REPORT OF TRUSTEES

---

The trustees of Minot-Sleeper Library herewith submit their report on the affairs of the library for the year 1946.

The customary work of the library has been carried on under the faithful and efficient supervision of Miss Mary A. Rogers, librarian. Assisting her in the ordering and cataloguing of books, and in maintaining the continuous period of open hours from 1 to 9 p. m., Mondays, Wednesdays and Saturdays, Mrs. Leon Willman has served now for the third year.

The book committee has met with considerable difficulty in their purpose to offer the public a growing supply of new books straight from the press. This has been due to the stringencies of war felt by publishers every-

where. Nevertheless, we feel that the library has made a good showing under these adverse conditions, and has kept abreast with other libraries of its size throughout the state.

The Minnie Maria Day-Jackman fund has provided reading tables with the best current magazines and periodicals. This department of the library is in constant use and apparently greatly appreciated by all ages. The list of magazines, now 26 in number, includes American Magazine, Asia, Atlantic Monthly, Better Homes & Gardens, Coronet, Cosmopolitan, Field & Stream, Fortune, Good Housekeeping, Harpers, Hobbies, Ladies' Home Journal, Liberty, Life, Modern Mechanics & Invention, National Geographic (2 copies), Nature, Popular Science, Readers' Digest (2 copies), Saturday Evening Post, Time, Yankee, American Girl, Boys' Life, Child Life, Jack & Jill.

From time to time the library receives from interested donors mementos and gifts of value for which the trustees express their grateful appreciation. One of the most recent of these gifts is a life-size crayon portrait of Dr. Fred Lewis Pattee, a Bristol townsman, author and professor of literature, whose written works including first editions of his novels are to be found in the library.

A new and much needed lighting arrangement of the fluorescent type has been placed in the vestibule, and further improvements of this kind are being considered for the better display of the Pray bird collection and the biography section.

The memorial bookshelf is slowly being added to. We feel that this library project should be kept constantly before the people. Here anyone so wishing may place a book or books to the memory of family, friend or public citizen, such books being designated by the library memorial bookplate bearing the appropriate data of names and dates.

Following years of faithful service as treasurer, Mrs. Isabel Proctor has resigned as a member of the Board, and Miss Harriett I. Gilman has been chosen to fill the vacancy thus created.

It continues to be the purpose of the trustees with the co-operation of the librarian to serve the public to the utmost of the library's capacity, and in the coming year to offer the best available works in literature, current magazines and research material.

Librarian's report:

|                        |        |           |
|------------------------|--------|-----------|
| Books circulated       |        |           |

### SCHOOL CALENDAR—1947-48

Tentative Calendar—Subject to local school board changes and approval.

|       |         |
|-------|---------|
| Open  | Sept. 3 |
| Close | Nov. 26 |
| Open  | Dec. 1  |
| Close | Dec. 19 |
| Open  | Jan. 5  |
| Close | Feb. 20 |
| Open  | Mar. 1  |
| Close | Apr. 16 |
| Open  | Apr. 26 |
| Close | June 16 |

Days out: Plymouth Fair.

Teachers' Institute—maximum of 4 days.

Armistice Day—long week-end, Nov. 10 and 11.

Memorial Day—Monday, May 31.

Desired number of days on which pupils are actually in attendance is 180 less days on which teachers attend institutes, making 176 or 177 actual school days.

Pupils may enter the first grade provided they are 6 before Jan. 1.

Vaccination is required by state law unless child has written excuse from doctor.

## SUPERINTENDENT'S REPORT

**Increasing Costs.** There is no magic whereby school systems are exempt from increasing costs. Everything which is necessary for the maintenance of our educational systems has increased. Some kinds of paper have increased 50% in the last year and are still on the move; text books as of this moment have increased an estimated 40% since 1942 and are rising rapidly; we are all aware that fuel of all kinds costs more at least on a yearly basis. It may be possible to increase the cost of production and maintain level prices but thus far it has not been done very well. The greatest costs, however, will be found in teachers' salaries. Teachers find themselves cursed by the increased cost of living, now higher than at any time after World War I, and blessed with an extremely acute shortage of people who will teach. The result of these forces is well known to anyone reading the daily papers; teachers are getting increases in one year never believed possible by those of us who entered the field since 1920. Towns not granting increases nor paying prevailing salaries will find their schools without teachers. A depression might change the picture materially and salaries such that a young person is willing to spend money and four years of time in college will in the long run either ease the situation or result in a truly professional class of teachers who will not have to apologize for being teachers and who can spend the summer in travel or study for the benefit of themselves and our children.

**Maintenance.** Buildings of all kinds, public and private, show the need of the maintenance which was not possible

during the war years and which now are done on inflated costs, but to delay longer the modest beginning of proper maintenance is to order trouble at a later date in more serious amounts. A maintenance program which will recondition the rooms and take care of basic and necessary repairs on a five to eight year cycle would not seem to be excessive. "Production costs" will be more than offset by increased profits even though knowledge, ideals, and character can not be tabulated or graphed to display to a board of directors.

**School Lunch Program.** Bristol people need to give additional study to the Federal Lunch Program administered through the State Board of Education. This program, except for equipment, is a self-maintaining proposition. It is subsidized to the extent of nine cents for a balanced meal, and equipment is subsidized to the extent of dollar for dollar matching by the local agency. Such a program depends largely on a good cook and a capable business administrator and purchaser. This program has increased rapidly in the past five years.

**Signs of the Times.** I urge everyone to follow closely proposed legislation in the General Court at Concord, and in Congress. Our senators and representatives at both places will listen to the "folks back home." Much far-reaching legislation will be introduced. To say that it merits less than our careful study is to sell democracy short. Doubtless all of it will not be good nor will it be bad but either way it may be it will affect us directly or indirectly.

In our own neighborhood we need to give thought to some of our needs in conjunction with others. Music

supervisors for a supervisory union are quite common; the arts and handicrafts are not unheard of in many school systems; we have need of remedial teachers to work with some pupils individually or in small groups; often we need a trained psychologist to give pupils individual help over a period of years and to assist all of us in daily contact with all the pupils. Some few schools are now employing a full time director of physical education, (I do not mean that the participation of a selected few in interscholastic participation constitutes a good physical education program), who works with all the pupils at all age levels. The U. S. Army has looked at this field with longing eyes!

In brief, these items help to educate what we call the "whole child." The program at the Community House is entirely along this basic philosophy and admirably supplements a school program. Bristol has taken a lead in community organization; we don't want to be too far behind in educational organization. The new building will aid very materially in organization both for the school and we hope for the community. People may well come to Bristol as a community to see into our life deeper than the physical and natural beauties of our lakes and hills.

Respectfully submitted,

C. MAURICE GRAY

## REPORT OF THE HEADMASTER OF BRISTOL HIGH SCHOOL

To the School Board and Citizens of Bristol:

Bristol High School opened on September 4th to begin its twenty-third year of providing a high school education for the young people of Bristol. Since the beginning of the school year we have reached an enrollment of 102 pupils but at present we have dropped back to ninety-five. Of these three have transferred to other schools and the remaining five either have lost interest or home conditions are such that it was impossible for them to attend school.

Of the twenty-seven members of the Class of '46 ten members are continuing their education, three are in the Army, four are employed at the International Shoe, one at Dodge-Davis, two are doing clerical work out of town, and the remaining seven have employment in varied types of work. This is in considerable contrast to the Class of '45 which has at present only one member continuing their education.

Many of our students are employed after school hours, Saturdays and during vacation months. This is a credit to our young people and in most cases brings about a seriousness in their school work that they might not otherwise have.

During the last year a new type of report card was adopted. To the regular marks has been added an opportunity to check Attitudes and Citizenship, thus helping students and parents alike to note reasons for any particular successes or failures.

Our Band, boys and girls chorus and athletic program continues as in the past. At least half our student

body participates in athletics, a record not held by many other schools in the state and doubly important since we do not have a regular Physical Education program.

The Student Council has been active this last year in shaping the policy of the school with respect to Social events, school activities and the Safety Patrol.

Since our enrollment is not too great our school exists more as a large family with teachers and pupils helping each other and sharing in each other's problems. Due to the active assistance given by Superintendent C. Maurice Gray many of our difficulties have been cut to a minimum. A testing program has been started and many aids to good teaching have been added.

There are still several problems on which we must all work. (1) With opportunities for employment and attendance at higher institutions of learning, cut to a much lower figure in the years to come, more work in Guidance is necessary. (2) When pupils in nearby communities can purchase five good meals a week at a price below what ours are spending for ice cream and tonic we all wish that some organization in town would sponsor a school lunch program. (3) Failure to provide subjects in which pupils can do hand work has discouraged many of our 8th graders from entering High School where they could excell in those subjects. The number of pupils leaving school at the end of the 8th grade is far too great.

We have a good school and our boys and girls are in all parts of the world. With the help of everyone we will continue to turn out well prepared students of which our many friends may be proud.

Respectfully submitted,

LAURENCE C. CORNWELL,  
Headmaster

## GRADE SCHOOL PRINCIPAL'S REPORT

The main objective of the Bristol Grade School is to enable each and every child to live a fuller and richer life. Our activities and class procedures are not based on mass emphasis but on the individual child. We wholly believe that the knowledge, appreciation, views, and skills acquired at school will enable the child to live that kind of life which is desirable.

A student council has been formed and is very active.

We have general assemblies with various members of different grades participating.

Moving pictures of educational value are shown every week.

Special holiday activities have been carried out.

Milk is provided every day for any child who wishes it.

Mrs. Adams teaches music to each grade once a week. The opportunity for participation in a band is provided once a week.

Mr. Gordon Tate has organized girl's and boy's basketball teams. In the spring I plan to have a baseball team.

There are varied activities and class procedures which are carried on by individual teachers. Everyone is cordially invited to visit at any time.

DAVID W. ARMSTRONG,  
Principal
